1)

Automatically click on link to sign your medicare assignment.

Sustainability and Innovation

@ Deloraine and Westbury Medical Centre

Protecting the environment and saving on paper

After your consultation with your GP (including phone or video) you will receive an SMS from Automed. It will be from a secure number generated by Automed that is unique to our clinic.

Please use the link within the SMS to accept or decline the assignment of Medicare benefit.

If you decline a private fee will apply instead for the consultation. If accepted, you can download a copy of the form if you require one.

Thank you for your cooperation and helping us reduce waste.

The SMS will look like this:

2)

MyMedicare patient registration

Has commenced to enable parties to access additional care from their nominated practice. Patients will be eligible for longer Telehealth consultations, care plans and their associated referrals.

You can register through MyGov or Medicare app by selecting the Medicare tile to find MyMedicare registration. Search for Deloraine or Westbury and then select your preferred GP from the drop down menu.

If you prefer, our reception team can help you complete a form at the clinic.

Regards D&WMC
